ESTIMATES

To the Class of 1979:

Congratulations on your graduation from Billerica Memorial High School. If one were to listen to the critics of public education he would believe that almost every high school graduate of today is far inferior to the high school graduate of yesterday. My knowledge of your intellectual accomplishments would speak against such criticism. I am comfortable with the level of your ability and face tomorrow with strong confidence that the future of America will be served well by you.

Sincerely,

William H. Flaherty, Jr.
Superintendent of Schools

William H. Flaherty

Congratulations Class of 1979 on having successfully completed your high school education.

Most of you will either be continuing your education or going to work. Whichever you decide, I wish you continued success and good health.

I would like to suggest that you give serious consideration in the near future of becoming an active alumni member. The Billerica Alumni Association is the second oldest in the country. There you will be able to meet with your classmates at least once a year to renew your friendship and talk about "the good old days."

Football The 1978 Billerica High School football team under the very able and dedicated leadership of Coach Meyerhoefer and his staff once again enjoyed another successful season led by Co – Captains Frank MacKenzie and Eric Dempsey. The small but resourceful Indians provided us with a football season full of hard hitting excitement and thrills. The true character of the team was displayed during the Thanksgiving Day game with arch rival Chelmsford. Before 9,000 shocked fans the outmanned and 30 point – underdog Indians, playing inspired football, held the big, talented and Superbowl – bound Lions at bay for most of the game. A last minute desperation field goal won the game for Chelmsford, but on that day the 1978 Billerica football team won the hearts of everyone. Thanks for the memories.

Varsity Soccer As we prepared for the 1978 season, we knew that we had "A tough act to follow" since the '77 team had accomplished so much. Even though we had Bob DiMatteo, Aaron Rood, Dennis Estrella and Billy Mercurio returning from last year's starting team, the picture did not look bright. The rest of the team was relatively inexperienced except for Fugi Defrancesco and Jimmy Murphy. Hopefully we would be lucky in the first half of the season until we gained enough experience to hold our own.

After a rugged pre – season where we posted a divisional 1 – 4 – 1 record, "Billerica Pride" took over. In our non – league opener, we shutout Boston College High School 2 – 0. We followed that with three impressive wins over St. John's (4 – 0), Tewksbury (5 – 1) and Wilmington (3 – 1). At this time we were rolling along in first place. In the next game, Captain Bobby "D" earned another nickname ("Red Card Robert") as he was ejected and Billerica lost its first game 1 – 0.

Not to be discouraged by the Andover loss the Indians bounced back by shutting out Methuen 1 – 0. This proved to be the only game Methuen lost during their regular season. Against rival Austin Prep, we came from behind to win 2 – 1. Here is where the season began to go sour. Injuries and illness took their toll on Steve Hong, Bobby D., Billy White and Dennis Estrella. As a result of this as well as some poor officiating we lost the next two games, Lawrence (1 – 0) and Chelmsford (2 – 1) gave Billerica back to back losses for the first time since 1973. In the Chelmsford game Jimmy Murphy and Steve Hong left the game with injuries while we were leading 1 – 0. At the end of the first half of the season we were in 4th place with a 5 – 3 – 0 record.

At this point the coaches and players took time to analyze the season. Were we really as bad as our record or was it a combination of injuries, illness, poor officiating, and just plain bad luck?

After back to back 2 – 1 wins over Concord and St. John's, it appeared that we were on our way again. Against Tewksbury we played poorly and had to settle for a disappointing 1 – 1 tie. Two more wins (Wilmington 2 – 1 and Andover 1 – 0) kept us in the race for the MVC Championship. We had to beat Methuen. Two days before the game, Captain Aaron Rood quit the team for personal reasons. Sophomore Gary Schermerhorn came on and had a great game as we went down to defeat 1 – 0. The game itself was one of the top games of the year as both battled up and down the field throughout the entire contest. We suffered a big letdown against Austin Prep and accepted a 0 – 0 tie. Looking ahead to the Eastern Mass Tournament, we needed a win and a tie in the last two games to qualify. We went out and belted Lawrence 2

– 1 and shutout Chelmsford 1 – 0 to qualify. Both games should have been blowouts.

As the season was drawing to a close, we felt that we had accomplished several positive things. We matured as individuals and as a team. We took a disappointing season and turned it around by finishing in second place in the MVC. We took the "Bedford Cup Game" 1 – 0 for the third win in a row to "retire" the cup in Billerica. We are proud of these things because we achieved more than what most people felt we would.

In the EMass Tournament, we drew tough Braintree in the first round, Braintree jumped to a 3 – 0 lead midway through the third quarter. Billerica came right back with its first goal and then scored again late in the game for a final score of 3 – 2. Although we did not win, the character of the Billerica soccer team and their tremendous pride was very much in evidence. The seniors left satisfied in knowing that whatever success the '79 team will have, they had helped to pave the way. Players like Bobby "Gola" DiMatteo, Billy "Merc" Mercurio, Billy "Broken Bones" White, Steve "Cat Heman" Elrick, Dale "Daley" Crandall, Eugene "Fugi" Defrancesco, Brian "Cockroach" Costedio and Dennis "I'm not going to eat supper before I go out" Estrella, will not be forgotten.

In 1979, we expect players like Jimmy Murphy, Brian Hughes, Gary Schermerhorn, Tim McCaffrey and Jimmy Elwood to be the backbone of another super team.

'78 accomplishments:

First team all conference: Bob DiMatteo and Jim Murphy.

Honorable Mention: Billy Mercurio, Fugi Defrancesco, Steve Elrick and Brian Hughes

Second best defense and second best offence in the MVC, Bob DiMatteo became the all – time leading scorer with 35 goals.

Boys Varsity Cross – Country The boys Varsity Cross – Country team enjoyed another successful season winning 9 meets while losing only 2.

The team was led by Co – Capts. Tom LePage, Jim Dangora and Mike Leyne. It did manage to win one championship, the Northern Area District Championship, defeating 38 other schools in the district. This is the first time that Billerica High has ever won this meet. The closest team was Methuen with 118 points while the Billerica Warriers had a low score of 84 points. This was a great moral booster to the team as they had just lost to Methuen the previous meet, who went on to win the Merrimack Valley Championship.

Jim Dangora and Mike Leyne were elected to Merrimack Valley All – Star Cross – Country team by the league coaches while Dan Sullivan was an Honorable Mention.

The outstanding performer was Jim Dangora while the most inproved player went to Kevin Curtin and the Coach Captain Award went to Tom LePage.

Roger Samson (Head Coach)

Girls Varsity Cross – Country For the first time in Billerica Memorial High School history a Girls' Cross – Country team was organized.

This promised to be an excellent team in the future as the team had an excellent team for the first year team. The Harriettes won seven meets and lost only one.

The spark plugg of the team was Sande Cullinane, who again made the Globe All – Area team and was the outstanding performer for the season.

Robin Weissbach, A sophomore, was the recepient of the Coach Captain Award and Freshman, Lynn Innis was the most improved runner of the team.

Congratulations

Girls Field Hockey the girls field hockey team had a most successful season compiling 7 wins – 4 losses and 3 ties for a second place finish in the Merrimack Valley Conference. All varsity squad members will be returning next year except the only senior on the squad, Captain Virginia Whiteway.

Sue Staffier, Diane Busnach and Lori Jean were selected to the Merrimack Valley Conference All – Atar team the first season and along with the other returning letter runners should provide the nucleus of a strong team next year.

The junior varsity team also had a good season as did the freshmen squad, who were only defeated twice.

Girls' Swim Team The girls' swim team in only its second year of existence, managed to compile a 2 – 6 record. Although this is not a terribly impressive record, the two wins and two other very close meets with teams that have been established for years were a marked improvement from last year.

Individual accomplishments that should be noted were Stina Christensen's time in the 100 yard Butterfly (1:;2) and the 200 yard Individual Medley (2:37) which qualified her for the Eastern Massachusetts Swimming and Diving Competition. Also qualifying was the 200 yard Medley Relay team with a time of 2:15.2. This team was made up of Karen Elicue in the backstroke, Susan Hill in the Breaststroke, Lisa Farmer in the Butterfly, and Sandy Ward in the freestyle.

Three seniors on the team who are sure to be missed are Michelle LeBlanc, who competed in the 500 yard freestyle (20 lengths of the pool) and Co – Captains Dawn Ryan and Lee Devereaux. Dawn competed in the 200 yard freestyle, the 400 yard freestyle where she had the second fastest time of the team, and the 500 yard freestyle. Lee competed in the 200 yard Medley Relay, the 100 yard Backstroke and was the #2 ranking diver on the team.

Other members that really excelled during the year were sophomore Karen Grella. Junior Kelly Ward, Freshmen Kathy Thissell and Carol Mason.

The Team came in second place in the Merrimack Valley League.

Thanksgiving

Thanksgiving 1978 began a day early at Billerica High School with Mr. McCarthy acting as Master of Ceremonies for the annual Fall sports rally. Mr. McCarthy and the varsity cheerleaders, led by Arlene Sousa and Cathy Hillis made a good effort to raise the spirits of the student body, many of whom were eager to see the Billerica Indians massacre the Chelmsford Lions in the following day's game.

The program began with a run down of some of the achievements by a few of the season's finer athletes. The cheerleaders then introduced the captains of each team and Coach Meyerhoefter gave an enthusiastic speech, displaying the confidence he had for his top notch football squad. Following Coach Meyerhoeffer's introduction of each of the senior football team members, Co-Captains Frank MacKenzie and Eric Dempsey presented the customary game ball to departing athletic department chairman, Chuck Lampson.

Later that afternoon was the annual junior-senior powderpuff football game. The senior girls, eleven in all, coached by Mr. DeFeo, put forth a good effort in defeating the large team of determined junior girls. The final score was 8-6 with the senior girls having their first victory in four years. Before the powderpuff game was the Turkey Run around the Marshall Middle School grounds in which competitors ran a relay race for the first prize of a Thanksgiving turkey. Vic Saleme, an ex-member of the track team, was the lucky winner.

The big event kicked off at ten o'clock Thanksgiving morning. Coach Meyerhoeffer's Billerica Indians football squad played an outstanding game against the Chelmsford Lions. Each and every Billerica player put forth his best effort in helping to completely ruin most of Chelmsford's offensive and defensive drives. It was evident by the atmosphere created by Chelmsford fans that they were disappointed with the sudden disorganization of their team's performance.

Billerica's superior passing ability was demonstrated by Rick Bates, who passed for over 169 yards to one of the season's highest scorers, Jeff Higgins. Billerica's aggressive defense, led by Frank MacKenzie, Steve Boucher, Jim Glennon, Tom O'Brien, Tom Danahy, and Steve Swan, ruined Chelmsford's passing game allowing no completions.

Chelmsford was the first to get on the board with a sweep play to the right, but the attempt for the extra two points was blocked by Brian Cassidy. A holding penalty prevented Billerica from scoring on a half-back pass to Jack Hayes from the Chelmsford 10-yard line, and a field goald attempt by Aaron Rood was missed, letting the score stand at 6-0, Chelmsford winning at halftime.

Chelmsford could not seem to keep the ball under control during the second half. Not only did they fumble the kick-off, but after Billerica attempted to score, Chelmsford lost the ball again. Billerica took advantage of Chelmsford's mistake by sending out another season high-scorer, Pat Dagle, on a successful ten-yard reverse. The blocked extra point let the score stand at a tense 6-6.

The remainder of the game was a battle. A superb Indian defense held the Lions at bay for three downs, but Chelmsford managed a field goal from the seven yard line and gained three points with thirty-three to go. The Lions, 9, and the Indians, 6, was the final score of the game. In the short time they had the Indians let go four passes, one of them was an incomplete option pass thrown by Jerry Courtney from the 40-yard line to Jeff Higgins at the 12-yard line. However the general opinion among may of the Billerica players and spectators was that Higgins may have received some unnecessary roughness form the Chelmsford defensemen.

GIRLS INDOOR TRACK

After many years of running with the boys it finally happened. Girls winter track has become a recognized team.

Returning veterans were Barb Paquette in the hurdles and high jump. Joining Barb in the high jump was Marcia Quinton, the only senior on the team. Captain Sandy Sutherland in the shot, Vicki Draper in the 300, Karen Grella, Pam Clark, Sande Cullinane, Robin Weissbach and Carol Busnach in the middle distance and distance events.

We would like to thank Mr. Granfield for his time and interest in developing a girls indoor track team and Miss Hood for supplying the equipment needed.
We are currently undefeated and hope to win the first girls league championship.

BOYS INDOOR TRACK

The BHS Indoor track team as in the past has proved itself to be a tough competitor. Our race for the Merrimack Valley League Championship was lost only because of our lack of depth not in talent.

Varsity competitors included Senior Tri-Captain Chip Jones in the dash, Tri-Captain Vic Salemme, Mark Doyle and Brian Henderson in the 50 yard hurdles. The shot putters were Jim Glennon and Chip Jones. Vic Salemme led the high jump with a school record jump of 6'2". He was closely followed by Senior Jerry Courtney. In the 300 Jerry Courtney proved to be tough to beat winning most of his races. Jerry was followed by Seniors Paul Banks and Mike Tuttle also tough competitors. The middle distance and distance events considered to be the strength of the Billerica team, was headed by Senior Tri-Captain Tom LePage in the 600 and Soph Rich LePage, Junior Kevin Curtin proved to be a high light of the year being our top 1000 yarder, and one of the best in the league. Junior Eric Thissell also ran the 1000. The mile was dominated by Junior Jim Dangora. The two mile taken on by Juniors Mike Leyne and Dan Sullivan who were undefeated, but couldn't finish the season due to a car accident they were involved in. Junior Paul Bradford and Soph John Dangora took over the duties of the 2-mile.

The mile relay comprised of Chip Jones, Jerry Courtney, Paul Banks and Vic Salemme proved themselves setting a new school record of 3:38.6. The two mile relay team set the Methuen Invitational record with a time of 8:39.4. The relay was comprised of Senior Tom LePage and Juniors Eric Thissell, Kevin Curtin and Jim Dangora.

BOYS GYMNASTIC TEAM

The Billerica High Boys Gymnastic Team, presently scoring higher than their previous outings, plan to score in the nineties before the season is over. Co-Captain Paolo Sciortino has been the teams all-around performer since he was a sophomore and so far this year is undefeated. Also scoring consistantly for the past four years are Tom Gee and Mark Wadleigh. With the teams continuous hard work and the return of most of its members the future looks extremely successful.

BOYS SWIM TEAM

The 1978-1979 Boys swim team was comprised of 16 members coached by Jack Stephensen and led by Captain Fred Glavini and Seniors Tom Greenhalgh, Bob Gove, and Mike Foley.

Lack of depth proved to be a major problem during the season. The failure to fill all the lanes in an event led the team to many close but disappointing defeats. However, this did not deter the team from keeping up its high level of spirit and sportsmanship, which its members displaced throughout the season.

The 1979-1980 season looks very promising. Return of Juniors Chris Clarke and Shawn Shea along with eleven underclassmen will provide much experience for next years varsity team.

HOCKEY

The 1978-79 edition of the Billerica High School Hockey Team started the season off after being defeated by Matignon, 6-5 in double over-time of the Eastern Mass. Quarter-finals. Since the team had lost 12 players they would have a tough time at winning 7 straight Merrimack Valley Titles.

What came about was alot of inexperience and lack of depth, and the team had a tough start. After tying to Tewksbury, and Wilmington the Indian's undefeated streak was broken at 54-1-2.

The Indians came back from their 2-1 loss to Meuthuen by defeating Austin Prep 2-1. They continued to play better and will be again playing in the Division I States.

With help from Coach Richard and Robinson the team was quite successful. Some of the high scorers were Barry Nestor, Jeff Higgins, and Paul Dornan. Soph. defensemen Danny Eaton suffered a knee injury, but Co-Captain Ed Johnasen and Junior defensemen Phil Lorranger and Rick Ekberg pulled in the slack. But the backbone of the team was the superb play of Co-Captain goalie Bob O'Connor.

GIRLS BASKETBALL

Ably led by Tri-Captains Janice Tassone, Jacky Tracy and Cyndi Travis, the 1978-79 Basketball squad opened its season with two straight wins. The team is comprised of many veterans including Senior Nancy Conroy, Juniors Judy Lang, Maryellen Fitzpatrick, Lori Jean, Diane Busnach, Barbara Gosselin, and Carol Fitzgibbon. Newcomers Sue Lecomte, Joanne Holey and Elena Glavin add much needed strength to the team. With luck and no major injuries the Indians look to be a tough squad to beat this year.

WRESTLING

The 1978-79 WRESTLING TEAM will again be a contender for the Division I state championship. After finishing 4th in the 1977 tournament and 3rd in last years states, the entire team is dedicating this season to winning the championship. With 7 lettermen returning, including 2 time state champ Bob Almeida, Senior co-captain Steve Boucher, and a host of five sophomore and Junior wrestlers; we hope that this years team can bring Billerica its first wrestling championship.

The world's a theatre, the earth a stage,
Which God and nature do with actors fill.
